ZEN

Collection

風格系列

禪，梵文“禪那”的略稱，意譯為“靜慮”、“思維修”、“棄惡”等。就是在生活中靜靜過濾碎片，修正錯誤的思維，拋棄惡念。

禪系列，正是從思考自我，靜坐調心出發，讓人們在坐上這套戶外家具時，平靜思緒，能夠像修禪一般進入心明清空的境界。

Zen, the Sanskrit abbreviation of "Jhàna", which means "Meditation", "Focus on Thinking Training", "Abandoning Evil" and so on. This is to filter the fragments quietly in life, correct the wrong thinking and abandon the evil thoughts.

ZEN series, just starting from thinking about ourselves and meditating, enables people to calm their mind when sitting on these outdoor furnitures, and enter the realm of clear mind just like practicing Zen.
